

This is a proposed amendment to add section 11-80 to the Colorado Springs city charter at the April 7, 2015 election.

Section 11-80. Urban renewal.

(a) Urban Renewal Authority or City urban renewal projects require prior voter approval for spending or staff time to promote, plan, or design them. All ballot issues shall occur at state general elections. Section 11-80 applies to "City for Champions" and all future urban renewal projects. Section 7-90 (a) and (c) provisions shall apply.

(b) Separate ballot issues are required to start projects, borrow or loan money, receive public or enterprise funds, or use tax-increment financing. All city electors may vote on all projects. Construction shall be finished and all borrowing repaid within 10 years. No project shall use eminent domain, nor taxes otherwise paid to other governments. No real property shall be bought above its county-assessed value, nor acquired or built by or for any tax-exempt entity.
